2007 Budget

Our budgeting process began in June with our Budget Officer, Don Reynolds, furnishing all the departments with the guidelines and format to be used. With the assistance of the Budget Officer, all departments submit their requested budget to the Town Board. We require justification for all requested increases and explanation of any proposed decrease. Workshops are scheduled during August, with each department, so that each department's budget requests can be thoroughly discussed. Any adjustments are made after these workshops and the Budget Officer files a *Tentative Town Budget* in late September with the Town Clerk. This *Tentative Budget* becomes the *Preliminary Budget* upon approval of the Town Board. This *Preliminary Budget* is subject of a Public Hearing in October. The deadline for final budget approval is November 20, 2006.

Sales of Hart's Field

The Town Board is awaiting the property appraisal.

Flower Bed at the Intersection of Routes 251 & 15

In the past few years, this flower bed has been maintained by a private firm and has been one of the locations for "Monroe County in Bloom". We have been contacted by the County and we have signed a 2-year contract to maintain this area. The County furnishes all the plantings and we provide the maintenance of the flower bed. We consider this to be another beautification project which will be done at a very reasonable cost. We also

welcome resident's suggestions on how we can further beautify the town.

Reminder to Residents – (Peddlers & Solicitors)

As you know, there have been recent incidences in the County dealing with peddlers and/or solicitors. Town Code Chapter 86 regulates Peddling and Soliciting. We wish to remind residents that a license is required for any person to act as a commercial peddler or solicitor without first having paid for and obtained a valid license. Any questions should be referred to the Town Clerk.

Preservation of Farmland

In early June, the Town of Rush received a letter from the Genesee Valley Conservancy requesting the

town support for the application of the Chase family to participate in the purchase of Development rights program application.

Mr. Seldon Chase explained that he felt this was the best program available to him to preserve the agricultural land he owns in Rush and which he wishes to not see developed. It is a long process to gain acceptance in this program but if successful would protect 129 acres owned by his family. To Town Board approved the sending of a letter of support. The Town Board had recently sent a letter of support of the Mulligan family request in January 2006 to preserve 239 acres of farmland in rush.

Property Purchase

As of this date (June 21, 2006) we are awaiting a closing date to purchase the property at 1911 Rush Scottsville Road (corner of Routes 15A and 251). After this

purchase, we will design a plan for development of that parcel and the entire site.

Thank you

The Town Board would like to thank Jeffrey Werner for his dedicated years of service on the Planning Board.

Sincerely,

William R. Udicious

The Assessment Office has finalized the Board of Assessment Review findings and submitted our final assessment roll to Monroe County, New York State and the three school districts located in the Town of Rush. Overall, the reassessment project ran reasonably smooth with the help of the resident's willingness to be patient during our peak periods. Thank you for all your help during this busy time.

One question that has come up numerous times during the 2006 update was how the reassessment would impact property tax bills. In general, following a reassessment, the taxable value of a town increases with a corresponding decrease in the tax rate (assuming budgets remain stable).

As an example, given the 2005 town taxable of \$238,860,422 and the new 2006 town taxable of \$259,610,988 (an approximate 8.70% increase) and assuming a typical property in Rush with a 2005 assessment of \$135,000 and a new 2006 assessment of \$145,800. The January 2006 town bill would have been

approximately \$574.43 (tax rate of \$4.255/1000) and the upcoming January 2007 bill is estimated to be \$570.81 (new tax rate of \$3.915/1000). This also assumes that the town's budget remains the same for 2006 and 2007. As I am attempting to illustrate, the assessment is simply the method of allocating the budget among property owners and that an assessment increase does not necessarily mean a tax increase.

Assessment - 2005	Assessment - 2006	Estimated change in taxes
\$135,000	\$145,800	
\$574.43	\$570.81	- (3.62)

Rush Fire District Fire Department & Rush Ambulance

*Submitted by: Robert Faugh, Fire Commissioner
Phone: 533-2058, www.RushFD.ORG*

FIRE DISTRICT: You are reminded that it is your responsibility to have access for emergency equipment onto your property. Recently our crews have had

problems getting in with the ambulance due to low branches and bushes. This slows our response and could damage our vehicles. This could affect how quick you get help! The lack of visible house numbering also remains a problem.

It is budget time again, it is our goal to not raise the rate and possibly lower it if the new tax rates take effect next year.

We have started to receive the Air-Packs and related equipment that the FEMA Grant provided the funds for a new portable pond was purchased for Pumper 583. The radio upgrade project is ongoing. We have issued out 50 new Motorola Minitor V pagers to our members. Two new base radios (one for Fire and one for EMS) and tone generator have been installed at station one. We can now set off the sirens and pagers from our own station. A new antenna will be installed on the tower for the EMS radio.

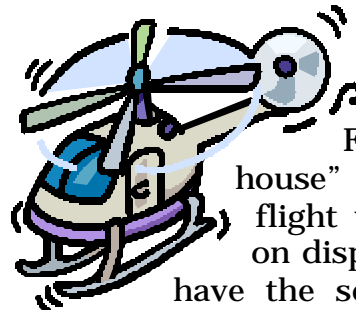

FIRE DEPARTMENT & AMBULANCE: We have responded to 225 calls as of July 27th. That is a call every 20 hours. The ambulance service remains very busy.

The firefighters made quick work extinguishing a house fire on East Henrietta Road in the village in July. We used 800 gal of water and class A foam to put the fire out. A teenager using candles started the fire and had to be treated for minor injuries. Mutual-aid manpower responded from Henrietta, Honeoye Falls, Scottsville and Mendon. Henrietta & Honeoye Falls Ambulances also responded.

We also had a tractor in a barn on fire at the extreme end of our response area. First responding firefighter Jerry Sheppard and Asst. Chief James Bucci had the fire almost completely out using a 2 ½ gal water/foam extinguisher and dry chemical extinguisher when Pumper 582 arrived.

East Avon was automatically dispatched to this call. Even a small extinguisher can make the difference when you have a fire, most fires start out small!

The FD color guard and FD band have been winning a lot of prizes at area parades. Pumper 582 has won several first place prizes in truck competitions. The volunteer fire department members spend a lot of time getting these units ready for inspection.

FALL FESTIVAL -
OCTOBER 14th: The FD plans on an "open house" that day. STAT Med flight will have a helicopter on display and the NYSP will have the seat belt convincer or rollover demo car at the event.

CARNIVAL & PARADE: We had a safe and successful carnival even though the weather was not so great. The parade was a little shorter this year. Many residents, friends and family members assisted the active, social and auxiliary members at the carnival. Rush Gravel Corp. brought in 34 ton of stone for midway that washed out due to the heavy rains. Vern Valance (Roger Tobey) took care of the septic service needs. We got great reviews on the "Shiloh Church" chicken Barbeque. This was the first time they used the "Cornell" sauce and it came out great. Our neighboring fire and ambulance squads covered the town on the carnival dates from our station for any calls that came in. It is a lot of work, the firefighters set the carnival up in 4 hours and put it all away in 3 hours. Almost 100% of the active membership show up and work at the carnival.

LADIES AUXILIARY:
The winners of the "Down on the Farm" Kiddie Parade were King: Alex

Bishopping who dressed as a Husky Corncob Kernel; Crowned Queen was Coral Bishop dressed as a Cowgirl with her horse Rosey; and the Best Group Award was presented to Ryan Tillich, Kyle Tillich and Zachary Bucci who were dressed as farmers with real livestock. The participants made the judging very difficult. Great job to all!

CARNIVAL 2007 – We hope to get our normal dates back – **JULY 12, 13 and 14 for 2007** – We also may move the fireworks to Thursday night and have a live band Saturday afternoon and evening.

FIRE PREVENTION POSTER

CONTEST: The winners for 2005/2006 were awarded \$25.00 each at an assembly at the Leary School. LINDSEY FREDERICK, ELLE MACMILLAN, BETHANY SCHMIDT, RACHAEL DOBJELESKI, EMILY LIVECCHI, HANNAH BORRIELLO, KAYLA, LADUE, KELLY MILLER - Congratulations, the competition level was extremely high.

Dear Residents:

I hope you are enjoying this beautiful summer! It's been a busy time here at the Library as we participate in the New York State summer reading program entitled "Books: A Treasure". It's amazing to see how your children have grown during the previous school year as we welcome them back for more reading fun and prizes. Thank you to all the residents and local

businesses who help make our program an annual success!

The Rush Library is fortunate to have such a high level of support from the community. But did you realize that supporting your Library could take many different forms? Simply checking out materials on a regular basis, attending programs, and paying your fines & fees here in Rush are three of the most straightforward ways to support us. Furthermore we appreciate financial support in the form of memorial donations, shopping at the Book Nook, and attending our annual Wine Tasting Event. But support in the form of volunteering is especially valued. We rely on a small but dedicated group of people for record keeping, book mending, plant care, and teen programs, among other things. Their ongoing support helps us provide great library service while we keep expenditures (and your taxes) down. We are currently seeking volunteers who are *available on a regular basis* to help maintain our beloved fish tank and to care for the Book Nook donations. Please stop in and see me if you are interested!

If you are looking for a new novel to try when you've read all your favorites, stop at the circulation desk for information on how to access the Novelist database that we subscribe to. It can help you find an "author read-alike" if you are wondering what to read next. You can access this database on your home computer or at our public computer terminals; any staff member can assist you.

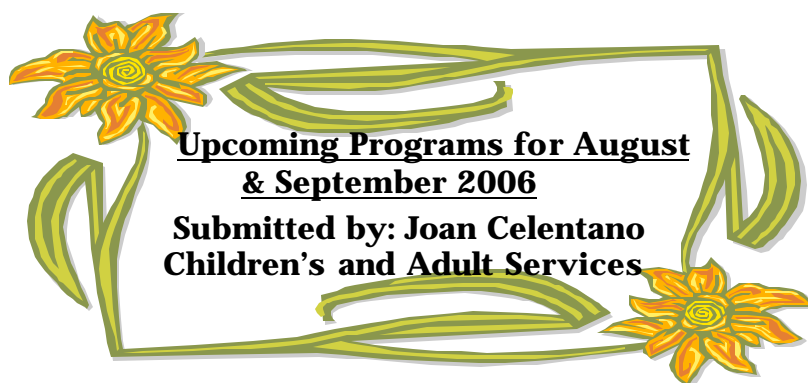

This August, as the new school year approaches, we will be saying "farewell" to one staff member, Collin Vanable, as he leaves for college. In the two years Collin has worked here, he has made himself an invaluable member of the team... you may have seen him shelving or running the circulation desk, but he has had many

behind-the-scenes duties as well, including maintaining the web site, helping to process books, and mending DVDs. The staff especially appreciates him for his tech-support talents! He will truly be missed.

With Collin's imminent departure, we are in need of new staff members. **We are looking for two part-time Library Pages.** Each individual must be available to work 2 evenings per week. The minimum age is 17 years old since the shifts are 5-8 p.m. If you are interested, please stop by the Library to find out more about the jobs and to fill out an application.

If you haven't already done so, I hope you & your family make the time to stop in and enjoy one of the many Library Programs offered each month. We offer teen & adult book clubs, children's story times, adult craft nights, and other free or low-cost enriching opportunities, and we are always open to suggestions for new programs. These are wonderful community-building events that help to make Rush such a terrific town to live in.

Take good care.
Kirsten

Summer Reading Update: As of mid-July there are 80 children participating in our "Books: A Treasure" program. Children are playing a "treasure hunt" reading game in the Library, complete with treasure maps, gold doubloons and, of course, prizes for their efforts! Many teens

and adults are also reading and winning prizes as well.

We would like to thank all of the parents and caregivers who bring their children to the Library on a regular basis so that they may participate in our program. We truly appreciate the time that you take to involve your children in the events that we plan for them.

Thank you to our Summer Reading volunteers: Heather Iannone, Allison Dobbertin, Riley Fressie, Megan Parker and Katelyn Wing. We couldn't have done it without you!

The following Rush businesses have contributed prizes for our children:

- **The Rush Market and Deli**
- **Diamond's Limousine Service**
- **Wildwood Country Club**

Look for the list of all our sponsors posted in the Library.
