The Conservation Board commented that the site plan is very well designed and thorough. The plan shows wise use of property with minimal disruption of the existing landscape.

Application 2009-10P by Naveed and Arooj Hussain for commercial site plan approval to construct an 8024 square foot, single story building and gasoline filling station, located at 5946 East Henrietta Road. Property is located in a commercial zoning district.

The Conservation Board stated their concern regarding the location of the septic tank and the nearby stream. The board is in favor of the proposed pharmacy.

With no further business the meeting was adjourned at 8:40pm.
