DISCUSSION

Review of Application 2010-01P by Loel Turpin for Subdivision and Site Plan approval to divide a 20.88 acre parcel into two lots. The existing house will be located on lot R-1a and a single family house is proposed for lot R-1b. Property is located at 500 works Road.

Comments/questions from the Conservation Board:

1. Is one culvert enough for the driveway?
2. Should there be a culvert closer to the house?
3. Should the shed be removed before a permit is issued?

With no further business the meeting was adjourned at 8:40pm.

Respectfully submitted,

David Watson
